

COMPLETE LINES WITH LITTLE OR NO SUBS

Since 1985 Serpa has been providing packaging solutions for some of the largest companies in the world. A manufacturer of high-quality machinery, we provide complete end-of-line packaging solutions by offering the most advanced technology and design in the industry.

We establish long-term, trusting relationships with our customers by providing not only a quality product, but by placing a strong focus on customer service.

Our end goal — to provide you with the best up-time in the industry.
